

In order that your application is considered, we require the following:

...that you firstly send us an e-mail with your press text (in MS Word, no longer than 1 page in Times New Roman 12) and photo (min. 300dpi and 300KB – no zip files!) attached. If these attachments are missing or do not comply with our minimum requirements, we will be unable to answer your application.

..... that you include a direct link to a sound file (Website or MySpace etc..) in your application e-mail.

.....that you do not send us application details/CDs/posters or promotional material by post unless we specifically request this.

..... that your show is 100% live and not supported by music from CDs or computer.

Services Rendered

We offer our services as a partner to our artists and agents and we will assist you with all matters from the planning to the actual concert.

Planning/Preparation

Fixing a date* cost- and income-calculations* ticket pricing* organisation of ticket pre-sales and on the door* poster hanging* press work* promoting the concert via newsletter, daily press, radio, concert magazine and internet* preparing, printing and distributing concert flyers*

Implementation

We supply your public with a high-level concert location with all necessary requirements, from parking space, entrance area, toilets, concert area and gastronomic service including personnel during the concert. A cosy club atmosphere awaits you (with 80 guests seated, 120 partly seated or 220 with no chairs) with a demanding and applause-happy audience, very good acoustics and a very well equipped stage including technical personnel.

We look after you in a friendly family-atmosphere and offer you personal assistance with the sound equipment, stage layout, drinks, food and contacts to the press. A backstage area (100 sq. meters) in a private atmosphere and a bar counter for an evening meal before the show is available and can be used for press interviews.

Catering: warm buffet with 2 - 4 choices (depending on the number in your party), vegetarian and other special requests are possible. A variety of drinks is available i.e. soft drinks, beers, wines and hot drinks, 80 % of these from organic origin and production..

Hotel: good, inexpensive hotel within a distance of 5 km.
